

Creek Currents

We are so excited to welcome Kate Gregoire back to Sunny Hollow and into Casa Creek! Kate has been a part of the Sunny Hollow community in Casa River since 2012, and has her AMI primary training from the Montessori Center of Minnesota.

The children have loved starting the day with play, and all of our winter clothes are dry by the time we are ready for our end of day play! Thank you for continuing to send your child to school in waterproof gloves, snow pants, hats, jackets, and waterproof boots! We will go outside every day unless there is a storm or it is too cold!

We are looking forward to Thanksgiving stories from home!
